REGENTS

OF THE INTERNATIONAL ACADEMY OF DENTAL FACIAL ESTHETICS

The IADFE requires significant contributions of time and effort from its members to operate. All IADFE disbursements are directed towards annual Meeting expenses at the GNYDM and the Spring Meeting. All the necessary organizational work and office support is provided by volunteer Fellows and their office staff. The individuals who contribute to the continued operations of the IADFE are designated as Regents. Any Fellow who wishes to assist the IADFE, and become a Regent, is very welcome to do so.
